LEARN HOW TO BOX AND UNBOX

In a series of Unboxing events, we will unpack our boxes and ask:

Why do we publish 🗣️ What are we publishing 🗣️ How do we publish 🗣️ What does it mean to understand our work not as a 'noun', but as a 'verb' 🗣️ Where do we put the many things we're doing, that don't fit into boxes 🗣️ What's the problem with categorisation 🗣️ How do we resist the demand for individual authorship? 🗣️ Why do we NOT want a unified face 🗣️ How can we subvert the social pressure to produce faces 🗣️ How do you 'work politically' instead of making work 'about politics' 🗣️ What's the problem with writing a colophon in the book 🗣️ How do we negotiate with institutional bodies 🗣️ Why would we go on a residency when we struggle to pay rent at home 🗣️ Where can we store our boxes 🗣️ How long does it take to travel to Stockholm from London by train 🗣️ Why do we all speak English 🗣️ Why is what we are doing called research or education and not art 🗣️ Where did we meet 🗣️ What happens if we don't work together anymore 🗣️ Who has invited us and why 🗣️ How are we spending the budget 🗣️ Do we want to stay in a two-bedroom or a one-bedroom apartment 🗣️ Do you want tea 🗣️ Have you read the S.C.U.B manifesto 🗣️ What's the Wifi password 🗣️ Which objects didn't we bring because we were worried they might get stolen 🗣️ How do we make this residency visible 🗣️ Who has the time to engage 🗣️ What can we make public 🗣️ When does the residency end 🗣️ Who would be our ideal boxing teacher 🗣️ What happens if we hurt ourselves 🗣️ Who gives in 🗣️ Who compromises 🗣️ Who accommodates 🗣️ Who cares 🗣️ Who edits 🗣️ Who organises 🗣️ Who translates 🗣️ Do we need a new, less tired and exclusive language to talk about all of this 🗣️ And how do you document laughter 🗣️

marabouparken

Welcome to a new collaboration with AND Publishing in Marabouparken's guestroom. The guestroom is an evolving programme strand in which we collaborate with collectives to support their work and develop new strands of practice. During spring and summer AND publishing invites you to learn how to box and how to unbox.

AND (initiated in 2009) is a publishing activity based in London. It is a multitude of temporary alliances, which don't fit together smoothly.

MARABOUPARKEN'S GUESTROOM

The guestroom began in January 2017 and is an evolving platform that collaborates with collectives to support their practice and offers a space for visitors to spend time finding out about the collective's work. So far we have worked with Filmform – Sweden's art film and video archive to develop a new collection of films made for and by women, Revolution Poetry – a Stockholm based cultural movement and spoken word platform, in the development of Revart, a new visual art strand within their platform, and The Bridge Radio – a community radio in the development of radio programmes and radio plays with groups in Stockholm connected to deportation resistance and the struggle against borders.

We welcome you to our Guestroom where you can spend time, explore, read or return to, to BOX and UNBOX!

BOXING

AND publishing will host two weeks of boxing training for women, girls, trans and non-binary people. We want to learn more about non-verbal negotiation, care, anger, dialogue, transgressions and defence. We hope that training together will teach us to 'relate' and help us find a new language to talk about the many conflicts and contradictions we need to negotiate.

The boxing classes are free and for all abilities, ages (16+), shapes and religions. You don't have to be fit or strong or cool

to take part. Boxing gloves and other equipment will be provided. To book a place, ask more questions or alert us to specific needs, contact Jenny: jenny.richards@marabouparken.se

The Boxing Classes will be held at Project Playground, Hallonbergen.

Boxing classes:

**Mon 11 June, Wed 13 June, Fri 15 June,
Mon 18 June, Wed 20 June
at 6–8pm**

UNBOXING

AND brought a pile of boxes to Marabouparken Konsthall and will unbox them during their residency. The boxes contain publications they have worked on, documents, which they want to investigate and miscellaneous items related to their projects and inquiries. To do this, AND moved out of the exhibition space into one of Marabouparken's staff office spaces on the second floor and turned it into an Unboxing Room.

You are welcome to explore AND's projects and publications** in this Unboxing Room, unbox yourself, or come to one of the public unboxing afternoons at the Konsthall. If you would like to visit the Unboxing Room and find out more about AND's work you can ask a member of staff or email Jenny to book a time: jenny.richards@marabouparken.se.

Unboxing talks:

**Sun 6 May, Sat 16 June, Sun 26 August
at 2–5pm**

You also find a selection of our publication in the Konsthall shop in the entrance.
